

## Finding the new clinic

The clinic is located within The Ivy Gym, 32 High St, Loughborough LE11 2PZ

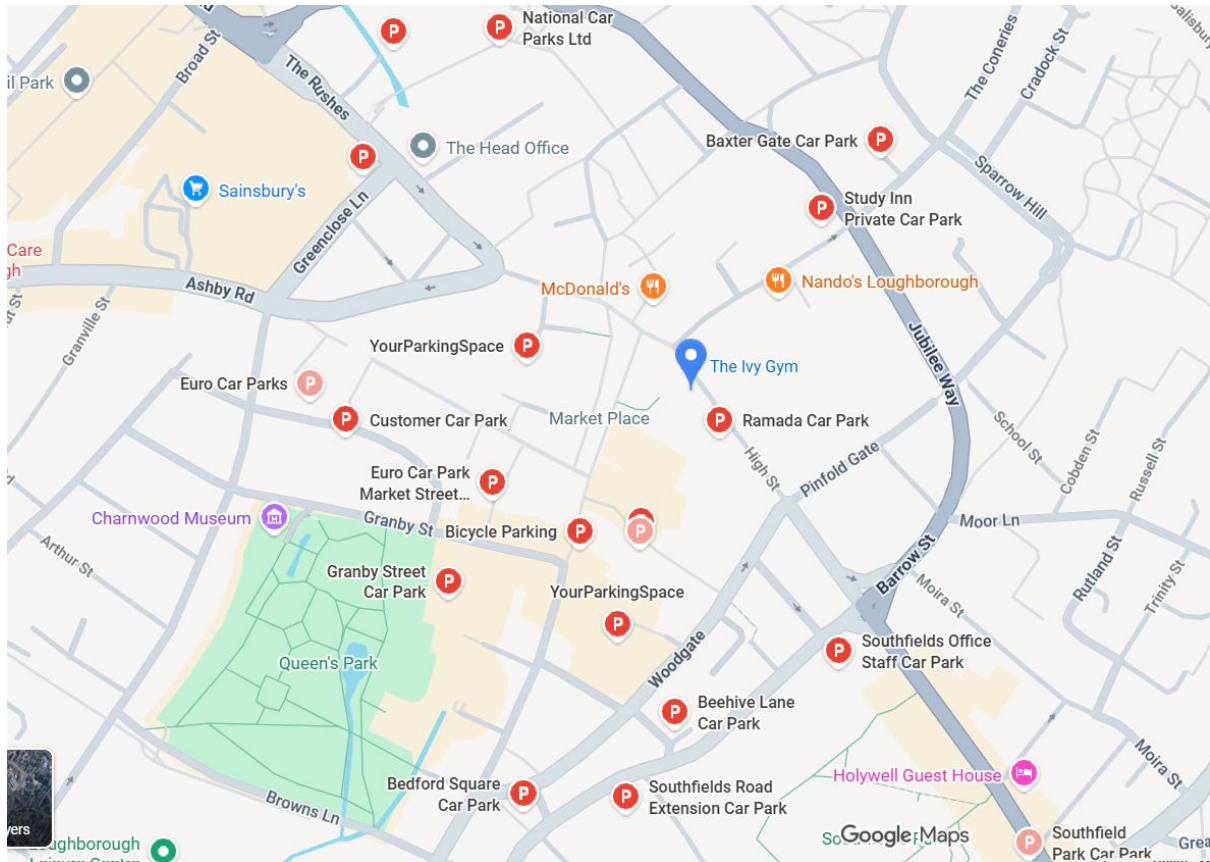

Head up the stairs to the first floor, open the door shown below and reception should be in front of you. Let them know you're here to see me and they will let you in and direct you to a waiting area. I will collect you as soon as I'm ready.

There are toilets, showers and changing rooms available. We also have access to the gym for rehab if required.

## Parking options:

Unfortunately, there is no parking available directly outside the clinic. Below are some recommended parking options:
